Proverka

Communications center for surveillance

No special name known to Source who believed that a KK (safe house or apartment) would be used; surveillants could communicate by telephone, or possibly by radio.

Convoy

✓ Agent prikrityiya, referring to the person who accompanies the case officer.

Convoy, under

Pod prikrityiem, indicates that the meeting was held under protection of a convoy or escort

Counter-surveillance

✓ Kontsnabliyudeniye

Covert (organization or personnel)

✓ Neglasnyy (shtat). Soviet State Security surveillance personnel are included therein.

4 January 1957

Decoy	No one word recalled by Source. He stated that a report might state that a meeting was held under protection of surveillance agents sent to distract (or attract) attention - pod prikryt'iyem agentov N.N. kotoryye poslany s.tselyu otvlech (privlech) vnimaniye. Cf.: in duck hunting, a decoy is known as primanka.
Description	Opisaniye.
Description, exterior of building	Vneshnoye opisaniye.
Description, interior of building	Vnutrennoye opisaniye.
Disguising, act of	Maskirovka; normally <u>not</u> used in nominative, but in accusative, e.g. . . . primenil maskirovku, imeniv svoyu naruzhnost' (. . . applied disguise, (thereby) changing his appearance).
Distinguishing characteristics (physical)	Osobyie primety.
Escort	See convoy.
Establish or initiate surveillance	✓ Ustanovit' NN or ustanovit' slezhku.
File, surveillance	ND-nablyudatel'noye delo; kept in field, on a person.
File surveillance control	✓ KND - kontrol' (no) nablyudatel'noye delo - maintained at Moscow headquarters, containing headquarters' instructions as well as correspondence from and with the field.
Habits	See mannerisms.
Intercept, mail	See mail.
Intercept, radio	✓ Perekhvat (noun)

Intercept, telephone	Perekhvachennyy telefonyy razgovor - (report of) intercepted telephonic conversation.
Intercept, telephone to request or establish	Ustanovit' Liter "___" (letter forgotten by Source).
Investigator	Slyedovatel'.
Listening - agent	No known special name.
Listening - device	No known special name.
Listening - post	Post; usually in a KK (safe apartment).
Lost (contact)	Uteryai. A Soviet surveillant would never report that he had lost contact. In order to diminish personal blame he would report: obyekt ushol ot sledzheniya - Subject shook surveillance.
Mail - censorship, military	VTs - voyennaya tsensura; overt in wartime and, for Soviet troops in occupied territory (e.g. Germany), even in peacetime. A stamp, 'provereno voyennoy tsensuroy (followed by arabic number of examining station)' (examined by military censorship) is placed on the back of envelopes. This work came under Section V (Cyrillic 'B') of the MGB, later Special Section #6 of the MVD.
Mail cover, intercept, or surveillance (covert)	✓ "PK" - perlyustratsiya korrespondentsii, also - "perlyustratsiya pochty"; clandestine in nature, hence no deletions would be made in the correspondence, although mail could, if desired, be delayed or even "lost". This work was also under Section V of the MGB, later Special Section #6 of the MVD. The request would be worded "to establish 'PK' on incoming and/or outgoing mail of . . ."
Mannerisms	Osobyye privyichki (special habits).

Microphone
